

## Q&A ON STAYING IN TOUCH

---

### HOW CAN I REACH THE CLERGY & STAFF?

All clergy and staff are regularly checking their emails and voicemails. To email a particular person, go to the "Clergy & Staff" page under "About Us" on our website and simply click on their name or call the church office and leave a message (912-355-7730). For general inquiries or to communicate a pastoral emergency, call the office number at 912-355-7730 and leave a message OR email Becky Hughes ([bhughes@ccasav.org](mailto:bhughes@ccasav.org)).

### HOW CAN I STILL GIVE?

Each Sunday we proclaim, "All things come from you, O LORD, and of your own have we given you." Giving of our tithes and offerings is part of our worship. It is also one of the ways God helps us fulfill our mission and vision at CCA. Here are a few ways you can still give:

- Our church website has a "Donations & Giving" page for online giving. This can be found on the top menu or as a button at the bottom of each page. Click the "Operating Fund" button on the far left of this page for your regular pledge giving.
- U.S. Postal Service "Snail Mail" is still being received at our office.
- Or drop your offering in an the office door mail slot in a clearly marked envelope.

### HOW CAN I STAY IN TOUCH?

CCA sends out a mass email, or "eblast", each Thursday around 3 p.m. Additional eblasts are sent out as needed to communicate a death announcement or an unexpected change to our regular patterns of life and worship. These mass emails are the primary source for all updated parish communication. Here are some common questions and tips that may help you trouble shoot when you are not getting this weekly communication.

- ***How do I sign up for the eblast?*** Go to our website, [ccasav.org](http://ccasav.org), scroll to the bottom of any page, and enter your email address under "Stay in Touch". This will automatically subscribe you to our mailing list so that you can receive all eblasts.
- ***What if I already signed up, but am not seeing the eblast in my inbox?*** Check your "junk" or "spam" folders. Often mass emails will be automatically redirected to these folders. If this is the case, simply add the email [info@ccasav.org](mailto:info@ccasav.org) to your contacts so that it is a recognized sender and adjust your email inbox settings as needed.
- ***I already checked my "junk" mailbox and I still don't see any CCA eblasts!*** Your email address may have been automatically "cleaned" by MailChimp, our mass email provider. Please go to [eepurl.com/usgkb](http://eepurl.com/usgkb) and fill out the form to sign up for the church emails again. The reason this process is somewhat complicated is because MailChimp doesn't want it to be easy for an organization to add an email address back that "unsubscribed" (even by accident). This protects people who want to get off and stay off certain email lists!
- ***Help! I have done all of the above steps and am still not getting the emails.*** Contact Debbie Cela who is in charge of Digital Communications at the church ([dcela@ccasav.org](mailto:dcela@ccasav.org)) for further assistance.
