

Frequently Asked Questions about Livestreaming at CCA

How do I access the online service?

There are multiple ways to get access to the online services:

- There is a "Livestream" link on our website Homepage. Scroll down the Homepage and look for the big red button. (ccasav.org).
- Livestream Page under the Worship Menu selection on our Website.
- You can also access the link in the weekly Thursday Newsletter.
- Or subscribe to the YouTube channel so that our videos show up in your "feed" when you go to YouTube.

What if I just want to watch the recording later?

Recordings of previous livestreaming services can also be accessed from the "Livestream & Video Archives" link.

Do I always have to use the weekly email to get to the online services?

No. Since our Livestreaming is through the church YouTube Channel so long as you have the channel's address you can easily access. Several suggestions are provided in the first questions answer. One additional way, is to search in YouTube for the channel - it is listed as Christ Church Anglican, Savannah.

Online worship isn't for me. Now what?
